Re: *SEC v. CR Intrinsic Investors, LLC, et al.*, 12-cv-8466-VM

Dear Judge Marrero:

We represent Pfizer, Inc. ("Pfizer") in connection with the above-referenced action. Pfizer, on behalf of its wholly-owned subsidiary, Wyeth, has been in discussions with the Securities and Exchange Commission ("SEC"), and other interested parties, regarding the disposition of the settlement proceeds recovered from the defendants in this case. Pfizer writes to request additional time to respond to the SEC's motion to establish a fair fund for investor victims and appoint a tax administrator.

On October 9, 2014, the Court so-ordered a request from the SEC, to which Pfizer and other interested parties consented, setting forth a revised briefing schedule as to the SEC's position concerning the establishment of a Fair Fund. The schedule provided for the SEC to inform the parties of its position by October 30, 2014 (which it did), and to file its motion by November 14, 2014 (which it did). The schedule further provided for responses, if any, to be filed by interested parties by December 12, 2014, with any replies due December 19, 2014.

To permit the interested parties additional time to evaluate the most appropriate response, Pfizer respectfully requests that the above schedule be extended as follows:

Event	Current Date	Proposed Date
Responses by interested parties to the SEC's motion due	December 12, 2014	December 19, 2014
Any reply from the SEC due	December 19, 2014	January 9, 2015

We have contacted the SEC and other interested parties who may file responses to the SEC's motion, and they have all consented to this request. This is the third overall request for an extension to this schedule; it is the first request by Pfizer.

Respectfully submitted,

Andrew B. Clubok
